NOVEMBER - DECEMBER 2009

MESSAGE FROM THE CHIEFS

We would like to thank all of the members who helped during Fire Prevention Week at the schools and at our open house. It was a great success.

The cold weather is upon us again, so dress accordingly when responding to a call.

The NEW Truck 3 has arrived. We will be having work details and training sessions to get the truck ready to be put into service. Our goal is to be in service in early November.

Thanks to everyone who assisted at Old Timer's night. It was great to see a good turnout.

Congratulations to the Ladies Auxiliary on their 75th anniversary.

We hope everyone has a safe and happy holiday season.

Chief Kevin Terry
1st Assistant Larry Allen
2nd Assistant Jim Savoca
